<sup>1</sup> While the title of act of 1917, ch. 15, states that it is an act to add *nine* additional sections to art. 27 of the Code, it also states that such additional sections are to be known as secs. 629A to 629J, inclusive. The enacting clause of ch. 15, however, repeats the reference to nine additional sections, but omits any reference to sec. 629J.
